Dear Mr. Moscarelli

This responds to your Freedom of Information Act request, 8 December 2009, for the MIL-SPECS* and MIL-STD* for the 8 jet fuel pipeline that was put in about 1970 by the U.S. Army Corps of Engineers. We have no records. The 60th Contracting Office suggests you contact the U.S. Army Corps of Engineers at 1325 J Street, Sacramento CA 95814-2922, Phone (916) 557-5100 or 7236.

If you consider our “no records” response to be an adverse action, you may appeal it to the Secretary of the Air Force, through our office at the address above, within 60 days of the date of this letter. Include your rationale and a copy of this letter.

You may direct questions to me at (707) 424-5668.

Sincerely

LUCILLE M. LAMPMAN
Freedom of Information Act Manager
